

VNU-HCM UNIVERSITY OF SCIENCE SURVEY ABOUT GOOD STUDENTS AT 5 ASPECTS

FUNDAMENTAL INFORMATION

Good students at 5 aspects (*danh hiệu Sinh viên 5 tốt*) is a reputation certified for students showing good records of achievements in Ethics, Academic accomplishment, Physical fitness, Volunteer and Integration.

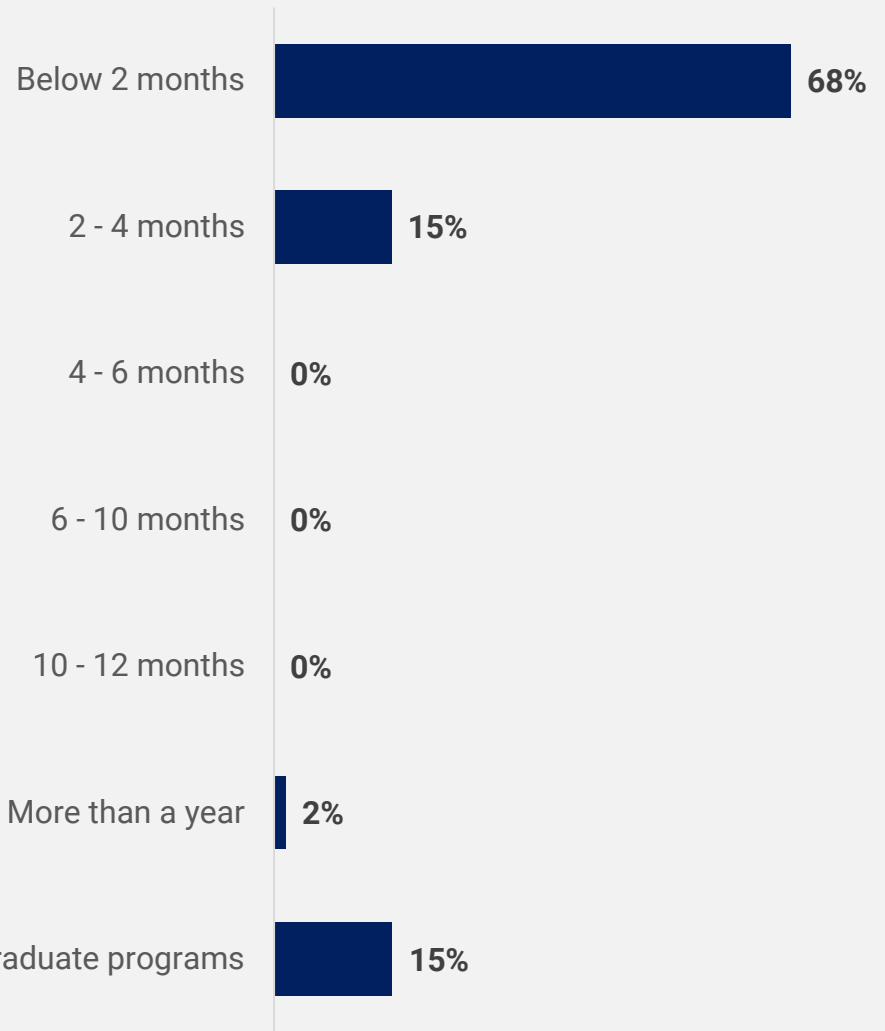

This reputation is annually assessed by the university Union of Students Secretariat through transparent application process. The aim is to help students recognize the lack in skills development and encourage them to self-improve those skills.

The survey was taken in Google Forms format with single-choice questions and was sent via personal email to each Good students at 5 aspects from schoolyear 2015 to 2018, in which any individual was free to take the survey once and only. 65/115 filled the form randomly with no prior influence or unwilling force.

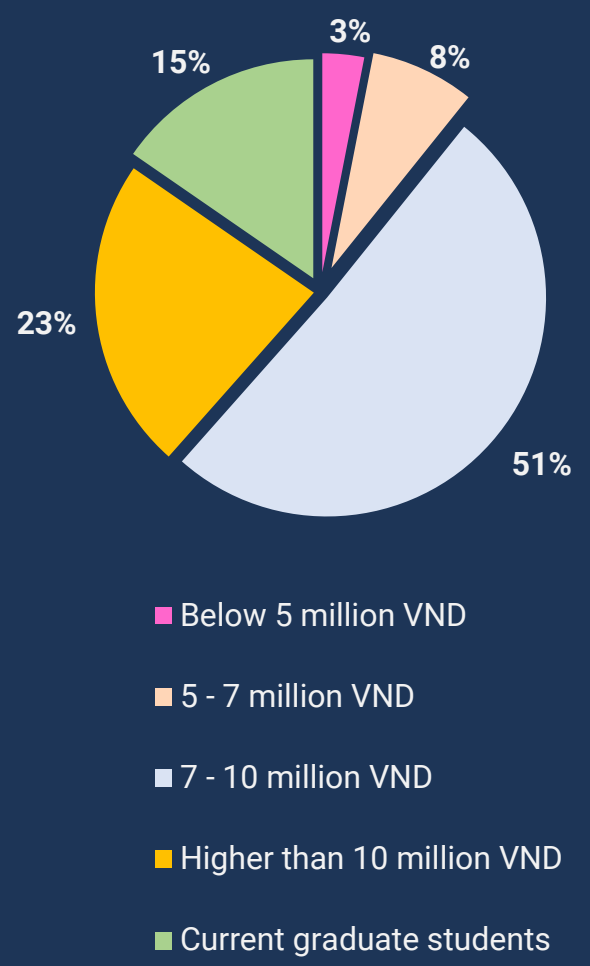

The original idea of this survey is to evaluate how the reputation affects students' competitiveness and self-confidence. Doing so, the statistical results are drawn for stakeholders to make changes in communication and suggest innovated improvements to the upper Board of Leaders.

Prospective occupation

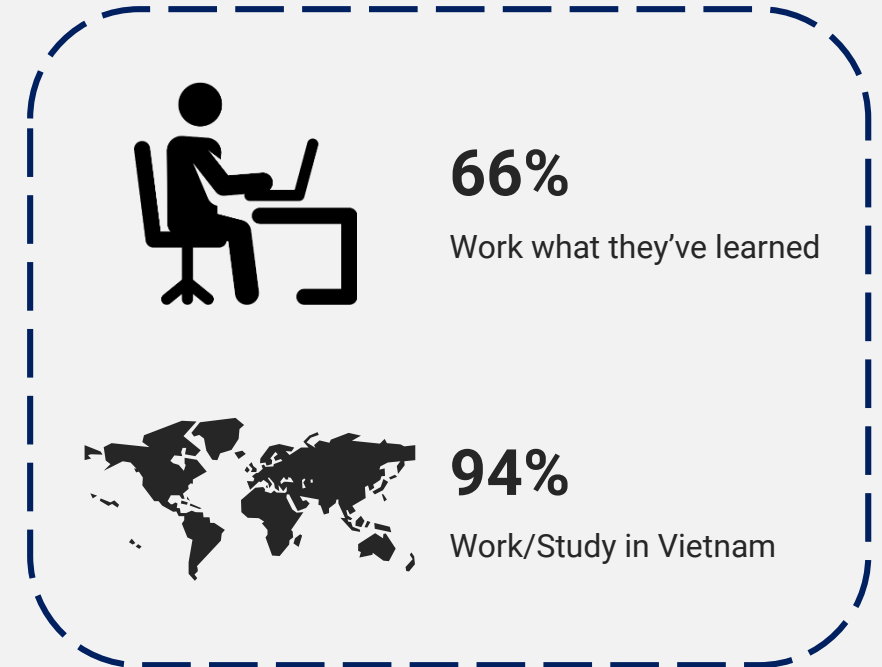

Time to get a job offer after graduation

Salary

Recruitment process

31%
This reputation is useless

41%
Feel confident in resúme

28%
Feel confident in interview

Surveyees' demographics

Key findings and Recommendation

No

Statistical correlation among any variables

Bias

By faculty

This is because the sample size is small.

To further analysis with statistical tests and confidence interval, **collect more data** until the faculty proportion of the sample commensurates with that of the population.

79%

Feel confident in resume/interview

15%

Decided to apply for graduate programs

68%

Got a job offer within 2 months

74%

Salary over 7 million VND

However, the descriptive statistics is significantly meaningful.

The number of alumni getting job offer within 2 months and well-paid salary is high, which indicates the **competitiveness of these students**.

That nearly 80% feel confident emphasizes the **importance** this reputation brings.

Also, **academic seekers are nurtured** through research programs run by the organizers.
